ABOUT ARCTIC

Arctic has 35 years of experience providing cold storage solutions for all kinds of industries in North America, Central & South America and the Caribbean Islands.

Every project represents a new challenge and our team works ambitiously to deliver a high quality product that impacts visually and is built to last.

WHY A RESIDENTIAL WALK-IN?

TO BE....

Larger:

Expanding your cold storage capabilities

Impressive:

Visual display of food and beverages to enhance entertainment areas

Unique:

The luxury of having a commercial appliance adapted to your home needs

Entertaining:

Providing the refrigeration needed for extraordinary home hosted events

Energy Efficient:

Delivering energy savings
